Wow! Didn't our neighborhood look spectacular over the holidays! The streets were aglow with the sights of the season. Thank you to all who decked out your houses for all to enjoy. It seems every year we have more decorated houses to showcase our neighborhood. The judges had a very hard time deciding on only three winners, so to all who participated our hats off to you! Little Libraries

Do you like to read? If so, you may want to check out the books at one of the "Little Libraries". Little Libraries are located near the Neighborhood Gazebo and the Eisenhower Park tennis courts and have a variety of books for adults and children. When you finish reading your book, take it back to the "library" and find another. If you have books you do not want, donate them to the "library" so that others may enjoy.

STARLITE WINS TWICE

At the MAYOR'S 44th BEAUTIFICATION AWARDS in November, Mayor Jim Schmitt presented the Starlite Association with the "Open Spaces & Parks –Limited Space Award". Pictured is Debbie Tilot accepting the award from the Mayor. It is the first time ever that a neighborhood association has won this award. Congratulation to Dennis and Darlene Marcelle for their dedicated work in our beautiful garden. Also, in December, Starlite won the "Neighborhood of the Year Award" at the annual Green Bay Neighborhood Leadership Council Awards Dinner. Out of 38 Neighborhood Associations, Starlite was chosen because of its continued and consistent efforts to improve our neighborhood and bring our neighbors together.

Proko-Wall
Funeral Home & Crematory
Increasingly Preferred

Founded in late 1969 by the late Gerald Proko and Bob Walczyk Sr., Proko-Wall Funeral Home was established on what was known as the far east side of Green Bay. The business has grown to six fully licensed funeral directors, a certified pre-planning specialist, 18

additional full and part time staff, a licensed in-house crematory and a full service pet funeral home. Proko-Wall continues to deliver the unique brand of service that families have become accustomed to since 1969, with the ownership transferring to not only Bob Sr.'s son, Bob Jr., but to a longtime employee and now business partner, Keith Lohrentz. Long ago, Jerry and Bob Sr. realized that a funeral was much more than just a service, and were committed to helping a family keep the memories of their loved ones alive. Proko-Wall continues to help families create unique tributes to a life lived and is dedicated to walk with a family after the 'service' is over.

Another part of our business deals with family pets. Forever Friends Cremation Services at Proko-Wall helps bring comfort to those who are dealing with the loss of a beloved pet.

Valley Advertising, a business offering screen printing and much more, was started by Bob Jr. and his wife, Annette, and is located at 1627 Cass St.

Community service is an integral part of our business, and we know how important it is to devote community time outside of the funeral home. We believe that to be a productive member of the Green Bay community, we need to give back to our families, local businesses, service organizations and civic groups. As a small business, we believe that membership in local organizations is of tremendous benefit to the community. Our staff is active in civic and service clubs and other organizations that touch our community. **One of our employees and her husband are Starlite Neighborhood Association board members.**

Please consider any and all of the above mentioned businesses located within our Starlite Neighborhood. Proko Wall and Bob Jr. have been especially generous to Starlite. Continued contributions to our famous "Starlite Garden", door prizes for our annual meetings, items for our welcome bags and much, much, more were gratefully accepted from Proko Wall & Co.

NEW SOLID WASTE CARTS

Some of us have received our solid waste
carts. As a reminder, other trash contain-
ers are NOT allowed and everything must
be placed inside the new carts, with the
cover completely closed. If you have any

questions or concerns please call the Dept. of Public Works at
448-3535 or go to the city of Green Bay website.

As a side note, because of the feedback at our annual meeting in
October, attended by the Mayor and the Dept. of Public Works:
the city decided to offer the smaller solid waste cart as an op-
tion.
